

WindowExpress™

Online Window Ordering System

Create quick, accurate and professional-looking quotes for your customers with WindowExpress, an online window quoting and ordering tool available from Alside. Get started today and see how easy it is to provide professional in-home quotes that are . . .

FAST

- WindowExpress comes preloaded with your dealer pricing.
- Generate quotes for the customer right in the home.*
- Turn saved quotes into orders with the click of a button – no additional paperwork required.
- Submit orders electronically through WindowExpress directly to Alside.
- Set preferences within WindowExpress for window options ordered on a regular basis making quoting a breeze!

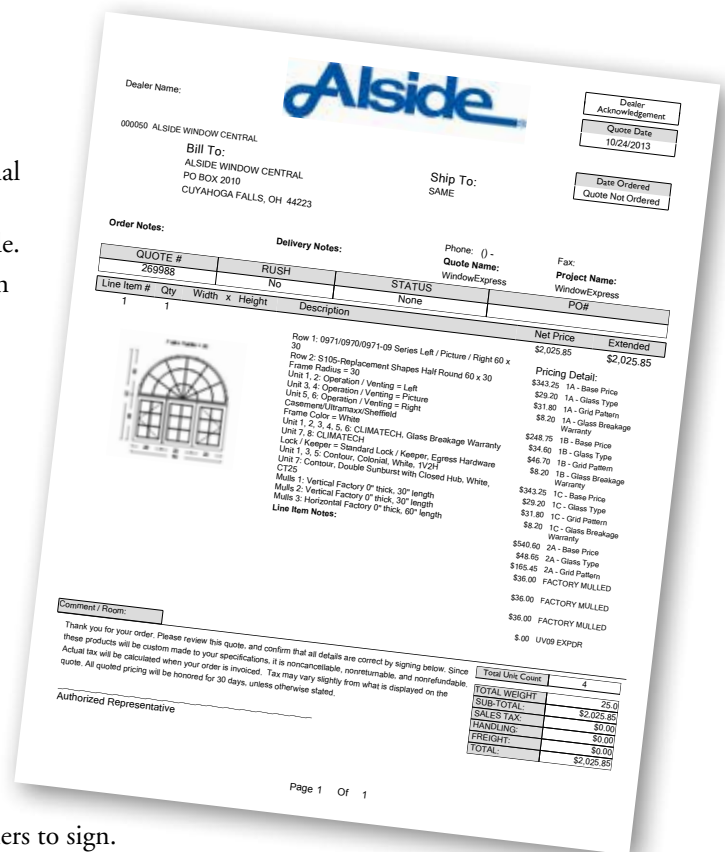

ACCURATE

- WindowExpress provides an itemized description and picture of each window and options for accurate ordering the first time!
- Window configuration drawings included in the quote for a visual confirmation of grid patterns, special shapes, and mulled units.
- View and print order confirmation for final customer approval prior to submitting the order.
- Product, price and system updates are done automatically to ensure you have the most up-to-date information for generating quotes and orders!

AND HELP YOU GROW YOUR BUSINESS!

- Generate professional, easy to read quotes and contracts for homeowners to sign.
- Create and maintain a private database of current and past customers for fast, easy quotes and order reference.
- WindowExpress allows you to quickly and easily show your customers optional window upgrades providing the opportunity for up selling and increased profits!
- Customize your quotes with your company logo and contact information to increase awareness of your company and business.
