Official Manufacturer's Certificate Alside® Vinyl Window and Door Products

The Building Product operations of Alside, a division of Associated Materials Incorporated (AMI), are headquartered at 3773 State Road, Cuyahoga Falls, OH 44223. Alside manufactures exterior windows and doors that when purchased with optional Low-E glass and an inert gas fill (argon or krypton, where required to meet ENERGY STAR® criteria), in a double or triple glazed unit, meet or exceed the prescriptive criteria established by the IECC for all climate zones in which the windows or doors are installed. These also meet or exceed ENERGY STAR program requirements (as in effect at the time of installation).

In accordance with the Internal Revenue Notice 2006-26, and to certify the Alside Window and Door Products for purposes of tax credits available under Section 25C of the Internal Revenue Code ("IRC"), Alside represents that the following Window and Door Products, when purchased with one of the optional glass packages mentioned above, are "Eligible Building Envelope Component(s)" that qualify for the federal income tax credit allowed under Section 25C of the IRC:
