

COMPLIANT WITH “MADE IN USA” STANDARDS

Alside® Premium Vinyl Siding and Window Products

“Made in USA” is a pledge of quality and pride, and at Alside, we deliver on that pledge. Headquartered in Cuyahoga Falls, Ohio, Alside has manufactured products and created jobs in the United States for more than 65 years. Today, we have seven manufacturing plants, over 100 company-owned Supply Centers and a network of independent distributors firmly rooted on U.S. soil, employing over 3,500 Americans nationwide.

According to the Federal Trade Commission (FTC), “Made in USA” qualifying criteria is defined as:

- **All or virtually all of the product is made in the U.S.**
- **All significant parts, processing and labor that goes into the product must be of U.S. origin.**

The following families of Alside siding and window products meet the qualifying requirement of the FTC “Made in USA” standards:
