

Sliding Patio Door

Model 5100 Fusion-Welded Patio Door

Performance-Engineered for Beauty and Energy Efficiency

Alside[®]

SUPERB STYLE AND HEAVY-DUTY STRENGTH

Infuse Your Home with Beautiful, Natural Light

1. **Mainframe and sash extrusions won't chip, peel, crack or warp.** Made with premium raw materials, the vinyl color is formulated throughout so the beautiful luster lasts.
2. **Fully weatherstripped jambs, header and sill** enhance thermal performance.
3. **Extra-deep weatherstripped integral interlocks** at meeting stiles provide added protection against air infiltration.
4. **Vertical sash components** are metal reinforced for greater structural strength.
5. **Insulated glass unit[†] featuring double-strength glass** with dead air space promotes year-round energy efficiency.*
6. **Panels** slide on dual adjustable steel wheels with steel ball bearings for smooth operation.

PLUS THESE ADDITIONAL FEATURES

- State-of-the-art fusion-welded sashes and mainframe.
- Heavy-duty aluminum screen with four-point roller adjustment.
- Available in white or beige with left or right operating panel.
- Available in a 2-lite style in 5', 6' and 8' widths and a 3-lite style in a 9' width.

ENHANCE YOUR PATIO DOORS WITH THESE OPTIONS

- Flat or contoured grids between the panes for easy cleaning.
- Specialty grooved glass panels create custom appeal.
- Keyed exterior lock for easy access.
- Interior vent foot lock keeps door in place while allowing convenient ventilation.
- Brass interior handset adds elegance and style to any décor.

GREEN INSPIRATION

Alside Windows and Patio Doors are performance-engineered to help conserve energy and reduce the consumption of fossil fuels used for heating and cooling homes. Using less energy to heat and cool your home not only saves money, it can reduce your home's carbon footprint as well. High-quality products with a long lifespan can also help lessen your impact on the environment.

Protecting our natural resources and choosing more sustainable products are just a few ways we can help safeguard our planet. Together, we can encourage ecological well-being with everyday actions of environmental stewardship.

Alside offers a variety of ENERGY STAR[®]-certified products. Consult your window professional for energy-efficient glass packages available for your home and climate zone.
