

Sliding Patio Door

Model 6100 Premium Vinyl Patio Door

A beautiful combination of style and comfort.

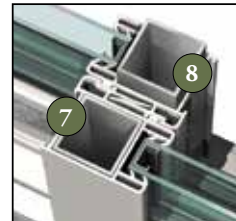

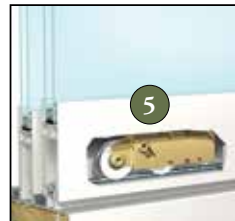

Alside[®]

Combine Indoor and Outdoor Living

Alside 6100 Series Patio Doors feature a solid construction and easy-glide operation to ensure years of exceptional durability and maintenance-free performance.

1. **Mainframe and sash extrusions will never chip, peel, crack or warp.** Made with premium raw materials, the vinyl color is formulated throughout so the beautiful luster lasts.
2. **White pine wood mainframe substructure,** combined with vinyl cladding, provides an effective thermal barrier.
3. **High-performance insulated glass unit** featuring double-strength glass promotes energy conservation year-round.*
4. **Dual durometer glazing system** absorbs shocks and offers extra weather protection.
5. **Structural composite roller system** ensures quiet and easy operation of the door panel.
6. **Low-profile, anodized aluminum sill cover** for added strength and durability.
7. **Extra-deep weatherstripped integral interlocks at meeting stiles** for added protection against air infiltration.
8. **Vertical sash components** are metal-reinforced for added structural strength.

Plus these additional features:

- Triple-screw, butt-joint frame construction provides fortified strength, with no drafty gaps at corners.
- Double weatherstripping and vinyl bulb seal deliver superior weather resistance.
- Heavy-duty fiberglass screen with aluminum frame features an adjustable independent wheel system in all four corners and a controlled, spring-tension system for smooth sliding without derailment.
- Available in a 2-lite style in 5', 6' and 8' widths.

Enhance your patio doors with these options:

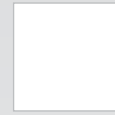

- ClimaTech® insulated glass package options featuring Low-E glass and the Intercept® Warm-Edge Spacer System for greater insulating performance.*
- Flat or contoured grids between the panes for easy cleaning.
- Specialty V-grooved glass panels create a subtle touch of refinement.
- Keyed exterior lock provides convenient access from outside the home.
- Interior vent foot lock keeps door in place while allowing refreshing airflow.
- Decorative interior handsets add elegance and style to any décor.
- White integrated mini blinds offer convenient sunlight and privacy control.
