Alside Patio Doors with Integrated Mini Blinds feature patented technology for superior style and long-lasting performance.

PRECISION-ENGINEERED FOR SUPERIOR FUNCTIONALITY

- Convenient sunlight and privacy control – simply lift and tilt the blind with a single operator
- Blind remains virtually dust-free in a sealed insulated glass unit
- Self-leveling bottom rail allows the blind to be re-leveled if it becomes unbalanced
- An integral cordless blind eliminates the risk of children or pets getting entangled in the cords

RELIABLE PERFORMANCE AND PEACE OF MIND

- Single cord-winding shaft ensures improved “stack,” which helps prevent the blind from coming in contact with the glass surface
- Integrated mini blind is backed by a **20-year limited warranty*** for added peace of mind
