

Casement Windows

Custom-Made Casement and Awning Windows

Impeccably Crafted with a Clean-Line Aesthetic

Alside[®]

DESIGNED WITH CLASSIC GOOD LOOKS

Simple Beauty and Superior Design Shine Through

A LEGACY OF EXCELLENCE

There is so much more to the windows in your home than the frame, sashes and glass. The true substance is the quality and expertise built into every step of the design and manufacturing process. In choosing Alside for your window installation, each window is custom-made to fit your window openings precisely. Our more than 75 years of industry excellence stands strong as our legacy of leadership and trust, where customer happiness always comes first.

We also take special pride that Alside windows provide exceptional “Custom-Crafted in America” quality, which not only champions the tradition of American ingenuity and craftsmanship, it also fortifies our nation with quality jobs and economic dollars.

CLIMATECH® . . . YOUR SOLUTION FOR INCREASED WINDOW PERFORMANCE¹

Windows are roughly 80% glass, so it's important to choose an energy-efficient glass system designed to meet the specific challenges of your climate. Upgrading your windows with a ClimaTech insulated glass package can further enhance your energy savings.

ClimaTech combines multilayered, low emissivity (Low-E) glass, insulating argon gas² and the Quanex® Super Spacer® structural foam spacer system for greater energy efficiency compared to a standard clear glass unit.

- In winter months, Low-E insulating glass reduces heat loss by reflecting warmth back into your home.
- During the summer, Low-E helps block unwanted solar heat penetration to help conserve air-conditioning use.

Many ClimaTech insulated glass packages meet the latest ENERGY STAR®-certified requirements for energy-saving performance. Consult your window professional for an energy-efficient glass package for your home and climate zone.

GREEN INSPIRATION

Alside Windows and Patio Doors are expertly crafted to provide energy efficiency and help reduce the consumption of fossil fuels for heating and cooling homes. Using less energy to heat and cool your home not only saves money, it can reduce your home's carbon footprint as well. Vinyl's long lifespan and low maintenance nature can further lessen your impact on the environment as no painting, staining or other maintenance-related products are needed.

STATE-OF-THE-ART PERFORMANCE

Every Alside Casement Window is designed to provide your home with an attractive finish while delivering superior strength, carefree upkeep and excellent value.

1. Premium vinyl won't chip, peel, crack or warp; never needs to be painted.
2. Multichambered sash and mainframe create insulating air spaces for thermal efficiency.
3. Step-down frame with inner compression bulb seal provides a tight seal even during inclement weather conditions.
4. Fully fusion-welded sash and mainframe add strength and rigidity. Tough, extra-thick extrusion walls provide superior durability.
5. Insulated glass unit featuring double-strength glass with dead air space promotes year-round comfort and energy savings.
6. Super Spacer® structural foam spacer protects against energy loss.
7. Beveled exterior sash design enhances installation aesthetics and visual appeal.
8. Metal-reinforced operating and locking attachment provides strong, dependable hardware operation.
9. Stainless steel hardware ensures years of trouble-free hinge operation.
10. Heavy-duty operating hardware allows windows to be cleaned from inside your home while providing smooth reliable operation – even on extra-large window units.

PLUS THESE ADDITIONAL FEATURES:

- Multipoint locking system provides positive locking and added protection along the entire window jamb.
- Low-profile, single-lever locking handle ensures ease of operation.
- Color-coordinated hardware achieves a beautifully refined finished look.
- Fully extruded overlapping screen frame for worry-free ventilation.

ENHANCE YOUR CASEMENT AND AWNING WINDOWS WITH THESE OPTIONS:

- ClimaTech glass packages for improved thermal performance.
- Decorative grids between the glass panes for easy cleaning.
- Specialty V-grooved glass patterns for a subtle touch of elegance.

Alside offers a variety of ENERGY STAR-certified products. Consult your window professional for energy-efficient glass packages available for your home and climate zone.

CASEMENT WINDOWS: A REFINED CLEAN-LINE DESIGN

One simple way to add drama to any room is by bringing in more natural light. The slimline-design frame of the Alside Casement Window is among the narrowest in the industry – expanding the glass area for a generous infusion of beautiful daylight.

- Smooth, positive crank mechanism ensures easy opening and closing of the sash.
- Stainless steel hardware for years of trouble-free hinge operation.
- An energy-efficient design with double compression bulb seal helps protect against air and water infiltration.
- Beautifully crafted high-performance vinyl frame and sashes require minimal upkeep.
- Multiple lite configurations available in a single mainframe.
- Combine casements and fixed lite windows to add striking beauty and increased visibility.
- A lifetime limited warranty* for added peace of mind.

A low-profile, single-lever locking handle adds to the ease of operation and refined design.

Sleek fold away crank handle won't get caught up in blinds or curtains.

Sturdy stainless steel hinge system for years of trouble-free opening and closing.

AWNING WINDOWS: OPEN YOUR HOME TO THE OUTDOORS

Add the perfect touch of character and charm to your home with Alside Awning Windows. The unique design of this expertly crafted window will impart a bold statement of style and dimension to any room while allowing ample ventilation.

- Beveled exterior sash design creates the appearance of a larger glass area with an attractive slimline look.
- Stainless steel hardware for years of trouble-free hinge operation.
- Fully extruded overlapping screen frame offers convenient ventilation and keeps insects out.
- A dual-point locking system on each side of the window for added comfort.
- Multiple lite configurations available in a continuous mainframe.
- Combine awning and fixed lite windows to create striking beauty and increased visibility.
- A lifetime limited warranty* for added peace of mind.

Sturdy stainless steel hinge system for years of trouble-free opening and closing.

Awning windows feature a dual locking system on each side of the window.

DECORATIVE OPTIONS

Add your personal touch to any Alside Casement and Awning Window with our on-trend collection of styles, colors and custom accents to enhance your home's architectural décor.
