CONQUEST® . . . QUALITY-BUILT AND VALUE-PRICED

Beauty, durability, easy upkeep and everyday affordability make Conquest Vinyl Siding a standout choice for today's homes.

A LEGACY OF EXCELLENCE AND INNOVATION

The first step in the creation, renovation and preservation of your home involves choosing the right products. In Conquest, you've opened the door to the Alside vinyl siding collection – a premier brand for long-lasting quality and impeccable style. Our more than 75 years of industry excellence stands strong as our legacy of leadership and trust, where customer happiness always comes first.

A MORE SUSTAINABLE CHOICE

The home that protects you can also help protect the environment. As a durable product with a long service life, vinyl siding panels such as those manufactured by Alside have been shown in a cradle-to-grave Life Cycle Assessment study commissioned by the Polymeric Exterior Products Association (formerly the Vinyl Siding Institute) to have a smaller environmental footprint relative to competing materials.* And because it never needs to be painted, vinyl siding also helps prevent paint, stain and other maintenance-related products from being released to the environment.

Choose from classic dutch lap or clapboard profiles – with the look and feel of natural cedar.

OUTSTANDING APPEARANCE

Enjoy the look-of-wood beauty with classic 4-1/2" clapboard and dutch lap profiles featuring a natural cedar grain texture, crisp shadow lines and a rich selection of 16 low-gloss colors that look like painted wood.

EASY MAINTENANCE

Save time, save money. No more sanding, staining or painting. Just wash Conquest occasionally with a garden hose to remove most airborne dust and dirt and restore the like-new appearance.

SUPERIOR QUALITY

You can forget about costly repairs, too. Conquest's tough and durable .040" panel thickness (nominal) is built to last. The high-performance vinyl color won't chip, flake, peel and blister like painted surfaces and won't rot or warp due to moisture. Despite exposure to challenging weather, your home will maintain its fresh-looking appearance season after season, year after year.

INVESTING IN YOUR HOME

For many people, a home is a substantial investment, as well as a source of personal pride. Conquest Vinyl Siding will provide a beautiful, low-maintenance finish while also increasing the curb appeal. And in today's resale market, an attractive, easy-care exterior can enhance the value of your home.

THE ART OF THE MIX

No need to settle for siding and trim that almost match. Whether it's a rich color that draws your eye to an interesting architectural detail, or neutral hues applied to a historic home, the Alside ColorConnect® Color Matching System helps you successfully match the color of your siding with other Alside exterior products and accessories.
