

Beautiful Coastal Color Inspirations

— C O V E N T R Y B Y A L S I D E[®] —

BRING COASTAL BEAUTY HOME A Modern Take on Iconic Colors

Coastal colors are also available in Architectural Classics[®] 7" Traditional Shake for greater design options.

CREATE COASTAL CHARM WITH BEACH-INSPIRED COLORS

Our Coventry vinyl siding has it all: picture-perfect coastal colors in a virtually maintenance-free exterior cladding. Each hue in this curated collection is airy and light, with just the right depth of color to create a beautifully beachy aesthetic. From Sea Mist to Cottage Yellow, our nature-inspired palette pairs easily with crisp whites, soft tones or saturated shades for a charming seaside exterior design.

BUILT WEATHER-TOUGH!

While you may be drawn to Coventry for its elegant appearance, it's also important to consider the siding's durability and strength. How will it hold up after years of exposure to strong winds, intense sun, pounding rain and other harsh outdoor elements?

Coventry's heavy-duty construction is fortified with a rolled-top nailing hem to provide added structural integrity and secure wall attachment. This extra-strong design enhancement increases the overall stability of the panel and anchors it firmly to the home's exterior walls. Tested and proven, Coventry meets or exceeds the ASTM D5206 industry test standard for negative windload resistance.

EASY CARE, EASY CLEAN

A longtime favorite for its easy-care features, Coventry recreates the beauty of freshly painted wood siding, but without the time-consuming upkeep. The highperformance vinyl color won't chip, flake or blister like painted surfaces and won't rot or warp due to moisture. There's no need for scraping or repainting. A simple rinse with a garden hose will remove most airborne dust and dirt and restore the like-new beauty.

A VALUE-ADDED INVESTMENT

For many people, a home is a substantial investment, as well as a source of personal pride. Coventry vinyl siding will provide a beautiful, low-maintenance finish while also enhancing the curb appeal and resale value of your home.
