

SUBMITTING A WARRANTY CLAIM WITH ALSIDE IS EASIER THAN EVER

Please note you will need to provide proof of home ownership, proof of window/siding purchase and a picture of the area of concern.

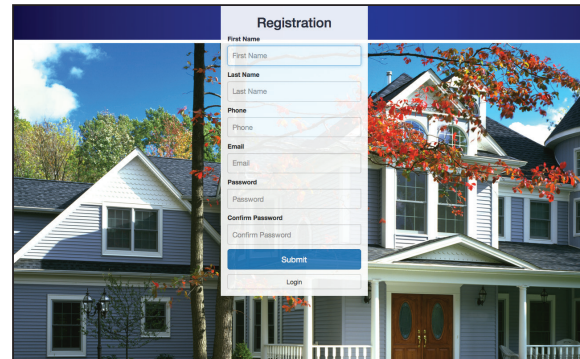

Just follow these five simple steps:

1

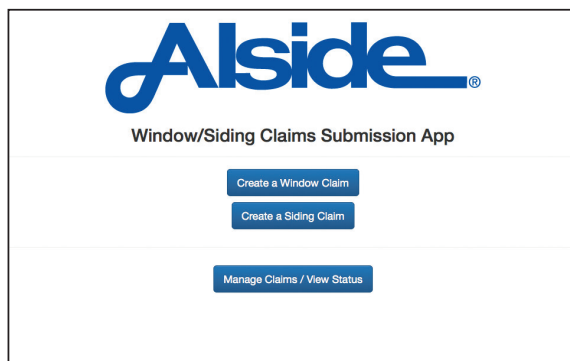

Go to www.alside.com/support/warranties/ and click the **Online Warranty Claim** button, then click **Register**.

2

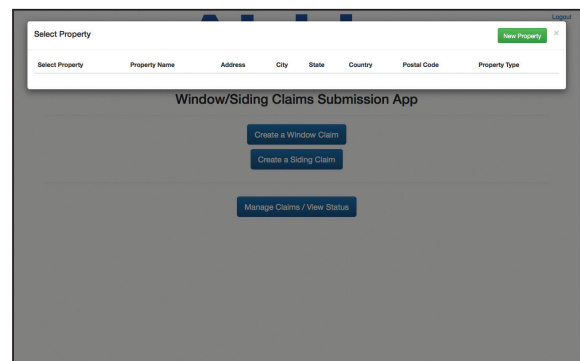

Complete the required fields and select **Submit**. You will receive a confirmation email.

3

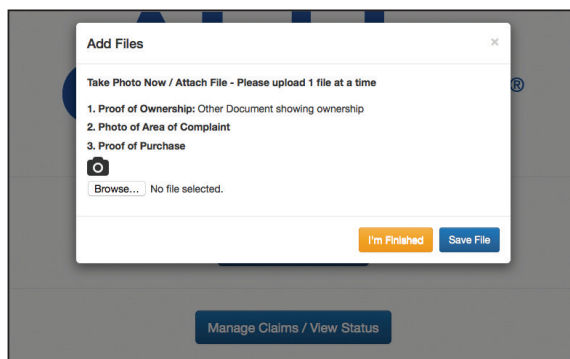

Click on the link in the confirmation email to begin the process. Once you type in your username and password, you will be asked to select either a **Window Claim** or **Siding Claim**.

4

Enter the requested information along with your proof of ownership.

5

After all of your information has been entered, select **Submit** and you will receive another confirmation email.

You can check your claim status anytime by visiting the website and choosing **Manage Claims/View Status**.

If you need help locating the serial number on your product, please follow the instructions at the following link:
