# FrameWorks® Color Collection

*Transform the appearance of your home both inside and out with our elegant FrameWorks window and patio door finishes.*

*From visually exciting colors to warm spices of wood, you can achieve custom-crafted style and appeal without the time-consuming maintenance. Masterfully crafted with attention to detail, FrameWorks lets you enjoy rich hues and sumptuous woodgrain beauty previously available only with hand painted or stained wood windows.*

*Shown: Forest Green (above), Architectural Bronze (upper right), Hudson Khaki (lower right).*

# Exceptional Beauty with Modern Practicality

## *Creating the ideal look for your windows? With us, it's personal.*

Our FrameWorks Color Collection will change the way you think about your windows and patio doors. Not only must they have superior functionality – but also a depth of style that enhances the appearance of your home from every angle. With colors ranging from subtle palettes to bold contrasts, FrameWorks inspires a refreshing design perspective that lets you give your home your personal touch.

## *Beautiful, practical and strong, FrameWorks finishes are precision-engineered to stand the test of time.*

While FrameWorks captures your attention with distinctive style, it also delivers superior performance. Our interior woodgrain laminate finishes are expertly crafted for outstanding durability that maintains its attractive appearance over the life of the product. Ultra-premium exterior colors are achieved with a cutting-edge polyurethane coating technology incorporating heat-reflective pigments to ensure a remarkably strong, fade-resistant and highly weatherable finish that's easy to clean. Together, this versatile collection will elevate your windows and patio doors to a higher level of quality – both in design and endurance.

- Luxurious colors and natural appeal
- Matte texture imparts subtle elegance
- UV-resistant for superior color retention
- Heat-reflective pigments and adhesion-promoting additives minimize heat gain on dark colors
- Highly weatherable, durable and robust
- Stands up strong to extreme heat and cold
- Excellent resistance to dirt, chemicals and environmental pollutants
- Resists damage from salt air in seaside climates

## *Color defines the design – consider the possibilities!*

FrameWorks' factory-finish exterior colors effortlessly combine beauty, convenience and performance, while also providing custom design options that let you achieve just the right look. Formulated for toughness and longevity, this specially curated color collection will accentuate the architecture of your home with high-style warmth and visual appeal.

## *Easy care, easy clean.*

When you consider the time and expense of painting and maintaining wood windows year after year, you'll see why FrameWorks is the ideal choice. Built with a resilient color formulation, FrameWorks requires minimal upkeep. Just wipe with a damp cloth or use simple household cleaners to remove most dust and dirt and restore your windows' like-new beauty.

## *Greener products for a better world.*

Choosing green products is not just a trend, it's a positive way of life that helps protect our planet. FrameWorks exterior finishes are water-based and environmentally friendly, meeting current and future EPA standards regarding Volatile Organic Compounds (VOCs) and Hazardous Air Pollutants (HAPs). As a sustainable material with a long lifespan, vinyl windows and doors also help conserve wood and other natural resources often used in home construction.

# Exterior FrameWorks Collection

## Architecturally coordinated exterior window colors.

Whether you prefer windows that command attention or beautifully blend in, FrameWorks exterior colors let you customize the appearance of your home with refined style.
