Claims Procedure

Customer must give Alside written notice at www.alside.com/support/warranties/ within twenty-five (25) days after Customer learns of the occurrence of facts or events upon which a warranty claim is based, describing the defect claimed and referring to this Limited Warranty Rider and date of patio door installation, together with the name of the dealer, proof of purchase, proof of property ownership and transfer information as requested. Allow a reasonable time for inspection purposes if determined to be necessary. Upon request by Alside, Customer may be required to return any defective Product at its cost to Alside for Alside's inspection, or to provide other details of and evidence substantiating the Customer's warranty claim. In such event, the Customer must obtain a return authorization from Alside prior to returning any allegedly defective Product. The Customer is responsible for prepayment of any applicable prorated amount and return transportation charges back to the property location.

Care and Cleaning

We recommend that the patio doors are cleaned regularly with a soft, damp cloth. If necessary, a mild detergent or soap solution in lukewarm water may be used. Avoid use of bleach, polishes, abrasive or organic solvent cleaners.
