Alside®

COVENTRY BY ALSIDE® . . . CLASSIC BEAUTY WITH MODERN PRACTICALITY

In Coventry, you have found the ideal exterior for your home. This masterfully crafted siding combines the artistic detail of natural wood with the easy-care luxury of a premium vinyl construction.

A LEGACY OF EXCELLENCE AND INNOVATION

The first step in the creation, renovation and preservation of your home involves choosing the right products. In Coventry, you've opened the door to the Alside vinyl siding collection – a premier union of heritage and innovation merged with high-performance materials and future-forward engineering. Our more than 75 years of industry excellence stands strong as our legacy of leadership and trust, where customer happiness always comes first.

A MORE SUSTAINABLE CHOICE

The home that protects you can also help protect the environment. As a durable product with a long service life, vinyl siding panels such as those manufactured by Alside have been shown in a cradle-to-grave Life Cycle Assessment study commissioned by the Vinyl Siding Institute to have a smaller environmental footprint relative to competing materials.* And because it never needs to be painted, vinyl siding also helps prevent paint, stain and other maintenance-related products from being released to the environment.

SUPERIOR PERFORMANCE IS INHERENT IN THE DESIGN

From the first glance, you may be drawn to Coventry for its elegant appearance, yet it's also important to consider the siding's durability and strength. How will it hold up after years of exposure to strong winds, pounding rain, harsh temperatures and other challenging outdoor elements?

Performance-engineered Coventry vinyl siding incorporates essential design features to deliver outstanding protection for your home. Each panel is infused with rigidity and structural integrity to ensure crisp, smooth wall lines and a beautifully uniform appearance.

EXTRA-STRONG NAILING HEM FOR ADDED STRENGTH

Coventry's heavy-duty construction is fortified with a rolled-top nailing hem to provide secure wall attachment. This design enhancement increases the overall stability of the panel and anchors it firmly to the home's exterior walls. Coventry meets or exceeds the ASTM D5206 industry test standard for negative windload resistance.

REFINED QUALITY AND STYLE

Once it's installed, the finished look makes a substantial statement about the quality of your siding. With Coventry, wall lines will be straight with the panels lying neat and flat. The siding's rigid construction and 1/2" panel projection will also help conceal any imperfections in the exterior walls, resulting in a markedly refined appearance.

BUILT WEATHER-TOUGH

Coventry's solid vinyl construction is built to withstand almost anything Mother Nature can dish out. Each panel features high-performance vinyl color, so it won't chip, flake and blister like painted surfaces and won't rot or warp due to moisture. Unlike metal sidings, Coventry resists denting from impact, maintaining an attractive finish that will stand the test of time.

EASY CARE, EASY CLEAN

A longtime favorite for its easy-care features, Coventry vinyl siding recreates the beauty of freshly painted wood siding, but without the time-consuming upkeep. There's no need for scraping or repainting. A simple rinse with a garden hose will remove most airborne dust and dirt to help restore the like-new beauty.

A VALUE-ADDED INVESTMENT

For many people, a home is a substantial investment, as well as a source of personal pride. Coventry vinyl siding will provide a beautiful, low-maintenance finish while also increasing the curb appeal. And in today's resale market, an attractive, easy-care exterior can enhance the value of your home.

A VARIETY OF PROFILE DESIGNS

Coventry offers a wide variety of options when designing your home's exterior. With four profiles to choose from and a full selection of decorative trim and accessories, you can create a custom design that's a clear reflection of your personal taste.

DARKER COLORS STAY TRUE!

Our darker Coventry colors stay luxurious and true, thanks to ChromaTrue technology. This advanced copolymer compound provides Coventry with long-term color stability and better performance on darker colors.

THE ART OF THE MIX

There's no need to settle for siding and trim that almost match. Alside's ColorConnect® Color Matching System offers smart solutions for every design approach. ColorConnect standards have been painstakingly applied to select Alside products to ensure you are making tasteful color choices with enduring aesthetic value and the custom look you desire.

Whether it's a rich color that draws your eye to an interesting architectural detail, or neutral hues applied to a historic home, the Alside ColorConnect Color Matching System helps you successfully match the color of your siding with other Alside exterior products and accessories.
