Alside[®]

ODYSSEY PLUS® . . . PERFECT FOR EVERY PROJECT

Odyssey Plus is the perfect siding for homeowners who want outstanding performance, a beautiful appearance and low-maintenance convenience. This attractive easy-care exterior can also enhance the value of your home.

A LEGACY OF EXCELLENCE AND INNOVATION

The first step in the creation, renovation and preservation of your home involves choosing the right products. In Odyssey Plus, you've opened the door to the Alside vinyl siding collection – a premier union of heritage and innovation merged with high-performance materials and future-forward engineering. Our more than 75 years of industry excellence stands strong as our legacy of leadership and trust, where customer happiness always comes first.

A MORE SUSTAINABLE CHOICE

The home that protects you can also help protect the environment. As a durable product with a long service life, vinyl siding such as Alside's has been shown in a cradle-to-grave Life Cycle Assessment study commissioned by the Polymeric Exterior Products Association (formerly the Vinyl Siding Institute) to have a smaller environmental footprint relative to competing materials.* And because it never needs to be painted, vinyl siding also helps prevent paint, stain and other maintenance-related products from being released to the environment.

ADVANCED SECURELOCK STAGGERED NAIL HEM SECURES YOUR VINYL SIDING EFFORTLESSLY

SecureLock advanced lock design from Alside provides outstanding performance. Double staggered nail slots and a fully rolled over nailing hem ensure exceptional wall gripping strength. Odyssey Plus has been laboratory tested to meet or exceed the ASTM D5206 industry test standard for negative windload

resistance. This strong locking system also means your siding will lay flat and look beautiful year after year.

Whether you are replacing your existing siding or building a new home, choose a brand that provides both advanced performance and lasting beauty . . . choose Odyssey Plus.

Double staggered nail slots hit a stud every time.

Extra-strong rolled over nail hem.

Locking panels resist challenging winds.

PREMIUM APPEARANCE

Choose from two of America's most popular siding styles – traditional clapboard or beveled-edge dutch lap. Both styles are available in double 4" and 5" widths. A natural grain pattern, realistic shadow lines and a low-gloss, look-of-paint finish recreate the distinctive details of genuine wood siding. For greater design flexibility, choose from up to 24 popular colors including 11 designer hues.

OUTSTANDING PERFORMANCE

Heavy-duty panel thickness (.044" nominal) and an advanced lock design deliver increased rigidity so walls stay straight and smooth. The strengthened lock provides superior holding power, keeping panels tight on walls, even in challenging winds.

CAREFREE UPKEEP

Odyssey Plus is made with durable, weather-resistant vinyl, so there's never any painting or staining. Just a simple rinse with a garden hose will remove most airborne dust and dirt and restore the like-new beauty.

Odyssey Plus contains premium features that are not found in many competing sidings. Make the comparison yourself . . . you'll find Odyssey Plus vinyl siding is one of the best investments you can make in your home.

A VARIETY OF PROFILE DESIGNS

Odyssey Plus offers a wide variety of options when designing your home's exterior. With four profiles to choose from and a full selection of decorative trim and accessories, you can create a custom design that's a clear reflection of your personal taste.
