

Hopper Window

Classic Style and Convenient Ventilation

Locking system ensures a tight seal for increased energy efficiency and added comfort.

Hopper Windows open inward and are an ideal choice for basements, garages and attics as well as areas with limited space that need ventilation. Engineered to provide superior beauty, performance and energy efficiency, these windows allow you to enjoy refreshing airflow and an ample infusion of natural light.*

- Fusion-welded mitered corners for strength and durability
- Durable and solid, multichambered frame won't chip, peel, crack or warp
- Insulated glass unit** featuring double-strength glass and the Quanex® Super Spacer® structural foam spacer system
- Barrier-fin weatherstripping
- A variety of ClimaTech® insulated glass packages
- Available in white only
- Rollform full screen
- Lifetime transferable warranty† and optional glass breakage warranty

EXPERIENCE YOU CAN TRUST

For more than 75 years, Alside has been a trusted name in building products for homes and businesses throughout the country. We also take special pride that Alside windows provide exceptional “Custom-Crafted in America” quality, which not only champions the tradition of American ingenuity and craftsmanship, it also fortifies our nation with quality jobs and economic dollars.
