# BLACK EXTERIOR LAMINATE

*High-End Look of Powder-Coated Aluminum – Without the Upkeep!*

## A PREMIER CHOICE FOR TODAY'S HOMES

Your choice for on-trend window solutions is now better than ever. Our Fairfield 80 Series Windows with Black Exterior Laminate feature a scratch-resistant proprietary color technology that replicates the high-end look and feel of powder-coated aluminum frames – but in a weatherable finish that won't chip or corrode and never needs to be painted.

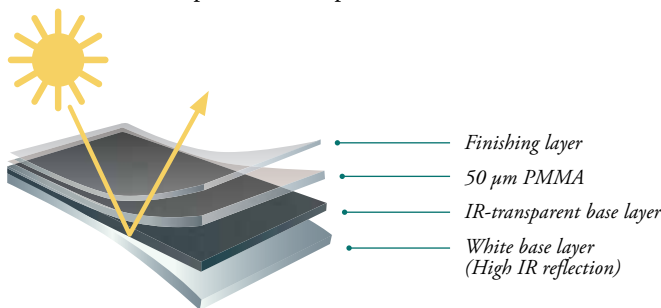

*Scratch-resistant and water-repellent for enhanced durability*

*Sand-matte texture for look of powder-coated aluminum, but in a virtually maintenance-free finish*

*Intensively long-term weather tested, ensuring excellent protection against solar radiation*

## INNOVATIVE FOUR-LAYER DESIGN

While the striking style of the rich black finish captures your attention, it's the innovative layered technology that elevates our Black Exterior Laminate beyond ordinary color options. The high-performance color incorporates an advanced four-layer design, including a white reflective layer on the back to help reduce heat absorption—and is guaranteed to withstand temperatures of up to 160°F.

- Finishing layer
- 50 µm PMMA
- IR-transparent base layer
- White base layer (High IR reflection)

**EASE OF HANDLING** Resilient laminate surface is thicker and less likely to scratch; allows for robust handling on the jobsite.

**READILY AVAILABLE** Pre-staged laminate requires fewer manufacturing steps while helping to maintain consistent results.

**UPSCALE FINISHED LOOK** Striking black finish achieves the premium appearance of powder-coated aluminum frames.

**MEETS CUSTOMERS' DEMANDS** Beautiful, durable and virtually maintenance-free – exactly what today's homeowners are looking for.

**WARRANTY COVERAGE** For added peace of mind, Fairfield 80 Series Windows are backed by a Lifetime Limited, Transferable Warranty. In addition, our Black Exterior Laminate carries a 10-year limited warranty\*
