Not only is this a smarter way to replace your vinyl windows, you're going to love the consistent, clean look and custom fit. It's the finishing touch that truly makes a big difference!

## Looking to Replace Your Vinyl Windows?

The Mezzo Full-Frame Replacement System is an excellent choice due to its superior performance, pleasing aesthetic and innovative, snap-fit trim. This precision-engineered system helps prevent water intrusion while delivering durability and energy efficiency.<sup>1</sup> And now with Trimworks, you're ensured consistent beauty across all the windows of your home in a variety of aesthetic options.

### KEY PARTS OF THE SYSTEM:

#### MEZZO REPLACEMENT VINYL WINDOWS

High-performing, narrowline frame for greater viewable glass area and superior energy efficiency.

#### EFFECTIVE FRAME DESIGN

A nailing flange integral to the window frame provides for proper flashing and water management.

#### TRIMWORKS DECORATIVE WINDOW ACCENTS

Efficient trim solution ensures a pristine, uniform appearance for all windows replaced on the home.

## Why Choose a Full-Frame Window Replacement?

Completely removing the old vinyl window, including its nail fin, and installing a new integral nail fin window is the most reliable solution for replacing vinyl windows. This full-frame replacement method ensures a superb installation of your new windows and custom-made trim for a beautiful finished look throughout your home.

# Benefits of the Mezzo Full-Frame Replacement System:

**BEAUTIFUL** Delivers a variety of brickmould or casing looks in on-trend profiles and color options. Choose from three solid extruded vinyl colors and 10 exterior color finishes, including black laminate.

**CONSISTENCY** Creates a uniform, clean-finished aesthetic from window to window.

**WATERTIGHT** A properly flashed integral nail fin helps prevent water intrusion.

**CUSTOM-MADE** Trimworks Decorative Window Accents are fabricated with each window for an exact color match and fit, no matter the size or configuration.

**SUPERIOR QUALITY** Developed for the Mezzo window system, which has advanced design innovations paired with ultra-efficient insulating glass for exceptional functionality and style.

**WEATHER-TESTED** Laboratory tested to withstand the demanding challenges of high winds.<sup>2</sup>

**INNOVATIVE** Patented SwiftLock Technology trim installation method ensures a secure, perfect fit.

**MORE VIEWABLE GLASS** By removing the old window frame entirely, your new window will be larger and provide more viewable glass than a conventional install.

## Beautiful. Durable. Essential.

This innovative full-frame replacement solution achieves a watertight seal and consistent aesthetic across all windows. With installation ease, Mezzo Windows with Trimworks Decorative Window Accents will increase the curb appeal of your home from every angle.

# Express Your Personal Style

Beautiful and livable – and very much you. Where does your concept of “home” start and where do you want it to go? Trimworks Decorative Window Accents has a smart solution for every exterior design approach. A great way to spark the creative process is to take a fresh “first look” at your home’s architectural style and space and imagine your exterior design exactly as you want it.

## Flat Casing or Brickmould Options

From contemporary to traditional, Trimworks Decorative Window Accents are available in multiple designs to add dimension and detail to the appearance of your home.

**Flat Casing**
